7. Payment Page

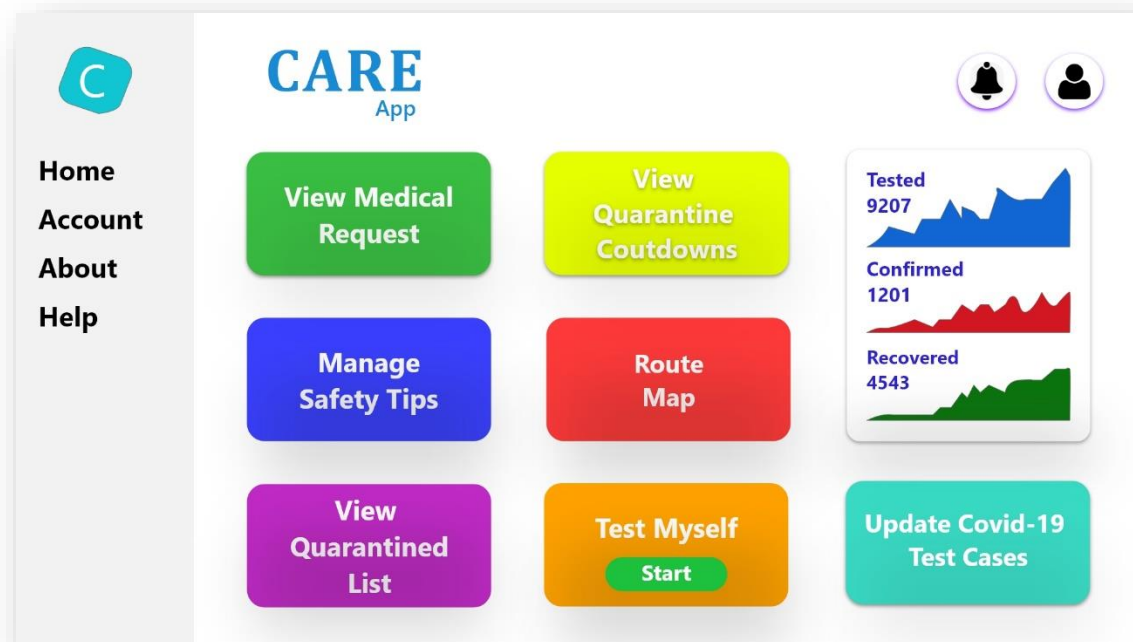

The screenshot shows the 'PICK A PAYMENT METHOD' screen in the CARE App. On the left is a sidebar with navigation links: Home, Account, My Orders, About, and Help. The top header includes the CARE App logo, a notification bell icon, and a user profile icon. The main content area is titled 'PICK A PAYMENT METHOD' and features three tabs: Credit Card, Debit Card, and Wallet. The 'Credit Card' tab is active, displaying a form to 'SELECT CARD TYPE' with radio buttons for VISA, MasterCard, American Express, and Discover. Below this are input fields for 'CARD NUMBER' and 'CVV', and a dropdown for 'EXPIRATION DATE' with 'Month' and 'Year' selectors. A checkbox for 'I have read and accept the terms of use, rules of flight and privacy policy' is present, followed by a green 'Pay Now >' button.

8. Page for Medical request

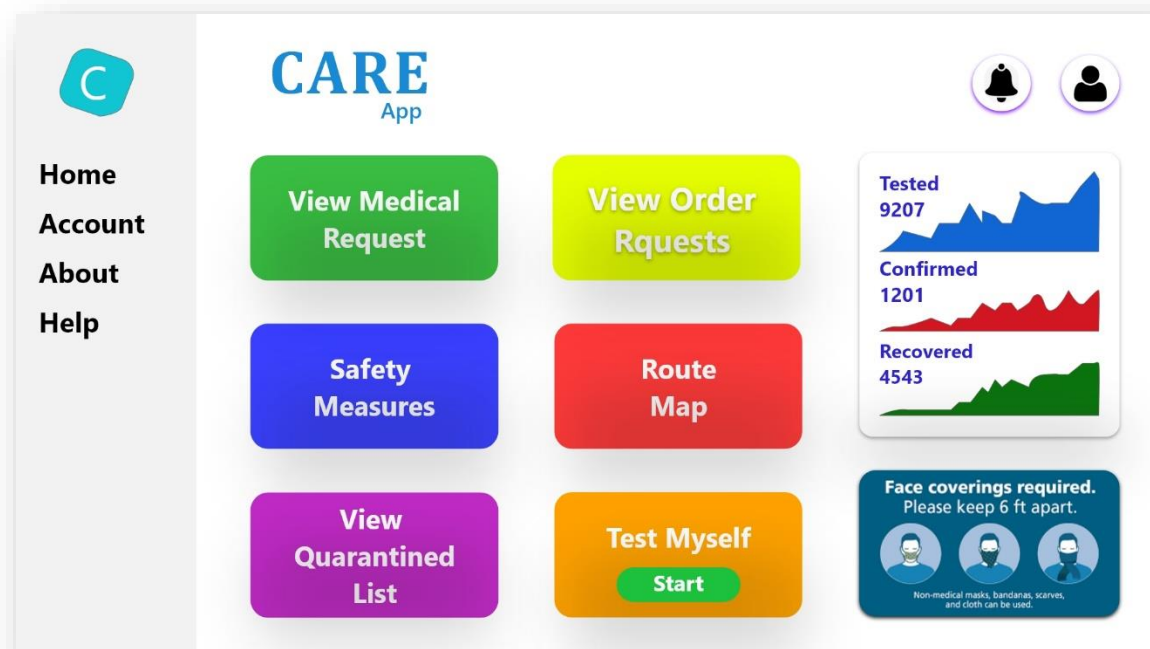

The screenshot shows the 'New Medical Request' screen in the CARE App. The layout is consistent with the previous page, featuring the same sidebar and header. The main content area is titled 'New Medical Request' and contains a form with two dropdown menus for 'Symptoms', separated by a plus sign. Below these is a dropdown for 'Level of Urgency'. A yellow 'Request' button is positioned at the bottom of the form. To the right of the form, there is a section for 'Call the Medical Staff' with a phone icon, the number '+91 9947900268', and a green 'Call Now' button. At the bottom right, there is a large blue 'Test Myself' button with a green 'Start' button inside it.

13. Page for add new products

The screenshot shows the 'Add A New Product' page in the CARE App. The interface includes a sidebar on the left with navigation links: Home, Account, Volunteers, Medical Staffs, Police Officers, Medical Staffs, About, and Help. The main content area has a title 'Add A New Product' and a form with the following fields: 'Name' (text input), 'Category' (dropdown menu), and 'Price' (text input). To the right of these fields is a large 'Image' placeholder box. At the bottom of the form is a yellow 'Add' button. The top of the page features the CARE App logo, a notification bell icon, and a user profile icon.

14. Home page for Police Officer

The screenshot displays the home page for a Police Officer in the CARE App. The sidebar on the left contains navigation links: Home, Account, About, and Help. The main area is populated with several colorful buttons: 'Medical Requests' (green), 'Route Maps' (red with a green status dot), 'Safety Measures' (blue), 'View Quarantine Countdowns' (yellow), 'View Quarantined List' (purple), 'Test Myself' (orange with a 'Start' button), and 'Verify Covid-19 Test Cases' (teal). On the right side, there is a summary card showing three line graphs: 'Tested 9207' (blue), 'Confirmed 1201' (red), and 'Recovered 4543' (green).
